Total budget at KI (incl. indirect costs), €:		222 728 €	206 888 €	305 928 €	282 168 €				
Cofunding1 (list amount required, SEK):		352 433 kr	312 358 kr	457 396 kr	397 283 kr				
The budget is in EUROS but co-funding at KI is in SEK, since the funding is spent at KI. Cofunding is slightly less for budgets without family allowance and long-term leave (eg parental leave) allowance.									
*The exact amount of cofunding needed depends on the exact project budget, whether the fellow has family, long-term leave and special needs allowances; the exchange rate Euro/SEK over the entire project duration and also the INDI at each department, and can only be determined after the project ends.									
The example for Global Fellowship here is for USA. If your outgoing phase is to another Third Country and you need help with the cofinancing budget, contact ying.zhao@ki.se
