BUDGET & Cofinancing at KI	European Fellowships incoming to Sweden, 2yrs		Global Fellowships Outgoing 2 yrs USA, Return 1 yr Sweden/KI	
	With family	Without Family	With family	Without Family
Total budget at KI (incl. indirect costs), €:	252 180 €	236 340 €	442 099 €	418 339 €
Cofunding1 (list amount required, SEK):	426 947 kr	386 872 kr	801 910 kr	741 797 kr

The budget is in EUROS but co-funding at KI is in SEK, since the funding is spent at KI. Cofunding is slightly less for budgets without family allowance and long-term leave (eg parental leave) allowance.

*The exact amount of cofunding needed depends on the exact project budget, whether the fellow has family, long-term leave and special needs allowances; the exchange rate Euro/SEK over the entire project duration and also the INDI at each department, and can only be determined after the project ends.

The example for Global Fellowship here is for USA. If your outgoing phase is to another Third Country and you need help with the cofinancing budget, contact ying.zhao@ki.se
