

How-to

Create a Mentimeter – [mentimeter.com/app](https://www.mentimeter.com/app) > login with SSO

The image shows a two-step process for creating a Mentimeter slide. On the left, a 'Type' panel is open, showing 'Popular question types' with 'Word Cloud' selected. On the right, a 'Share' dialog box is open, showing the voting code '7599 1938', a voting link 'https://www.menti.com/6u789h6erh', and a QR code. Red dashed boxes and numbered circles (1-4) highlight the key actions: 1. '+ Add slide' button, 2. 'Word Cloud' selection, 3. 'Share' button and the resulting link/QR code, and 4. 'Present' button.

1. Click on **Add slide**
2. Choose the interaction type. Add options via **Content**.
3. When you're ready, click get the **Voting link** (to share via chat) and **QR code** (to share in PowerPoint)
4. Click on **Present** and share you screen.
