

Practical tips for a winning grant proposal

A wholesome personal view of the grant funding process from both writer and reviewer perspectives

Professor Martin Bergö, BioNut, KI

Date: 2021-11-25 | 1.30 pm–3.30 pm

Venue: Inghesalen, Widerströmska Huset, Tomtebodavägen 18A, Solna Campus

The KI Postdoctoral Association (KIPA) and the KI Junior Faculty (JF) Career Focus Group invite you to this face-to-face seminar, which aims to improve your grant writing skills.

The seminar will be led by Professor Martin Bergö, from the Department of Biosciences and Nutrition at Karolinska Institutet, who has extensive experience both at writing and reviewing grant applications.

We encourage you to bring your questions about grant writing and applications, both general and specific.
