

## An easier way to send your international packets and documents:

### CLX - Cargo Logistics Express

**No time-consuming transporting notes, only an e-mail to [boka@clx.se](mailto:boka@clx.se).**

**CLX** is a concentration experts, within logistics and forwarding who provides you first-class service and quality.

**CLX** governs the shipments via **DHL**, **FedEx** and **UPS** depending on contents and time perspectives. You no longer need to speculate on which of the big Express companies that cope with, it will be arranged by **CLX** expertise.

#### **Advantages:**

- No complicated booking programmes, only booking via e-mails & phone
- CLX knows what that copes with your transport depending on contents
- Track and trace on all shipments, even the recipient can track and trace (if e-mailaddress are added by you)
- CLX can help you with custom documentation/clearence if desired
- Competitive prices
- Same persons that take the booking handles the consignments in the evening (creates security and safety for you)

#### **How to make your booking national / international (just send a e-mail)**

- The sender's reference (department and names)
- Recivers address, including. telephone nr. to the recipient
- Express/Economy, (same day /special delivery/transportation, dial: **08-594 500 62**)
- Content (intend on custom documents to non EU country)

#### **Summery:**

1. Prepare the shipment (pack in box or wrappings, we can also help packing)
2. Send an e-mail to [boka@clx.se](mailto:boka@clx.se), make a print out of the booking and tape it the on the box/item.
3. Hand in your shipment at the office reception as usual.
