

Exit poll doctoral students 2022

Dnr 1-346/2023

Exit poll – an ongoing survey since 2008

- How?
 - A mail with a link to the questionnaire is sent to all doctoral students at KI soon after the defence of the doctoral thesis (not to licentiates)
 - Anonymous
- How are the results used?
 - A unique possibility to get feed-back from doctoral students. Important as a basis for discussions and decisions leading to quality development.
 - Published on the staff portal annually
- The results paint partly a historic picture (answers are given after a completed education)
- More information:
 - staff.ki.se/exit-poll-for-doctoral-students
 - Contact: karin.vagstrand@ki.se

Response rate

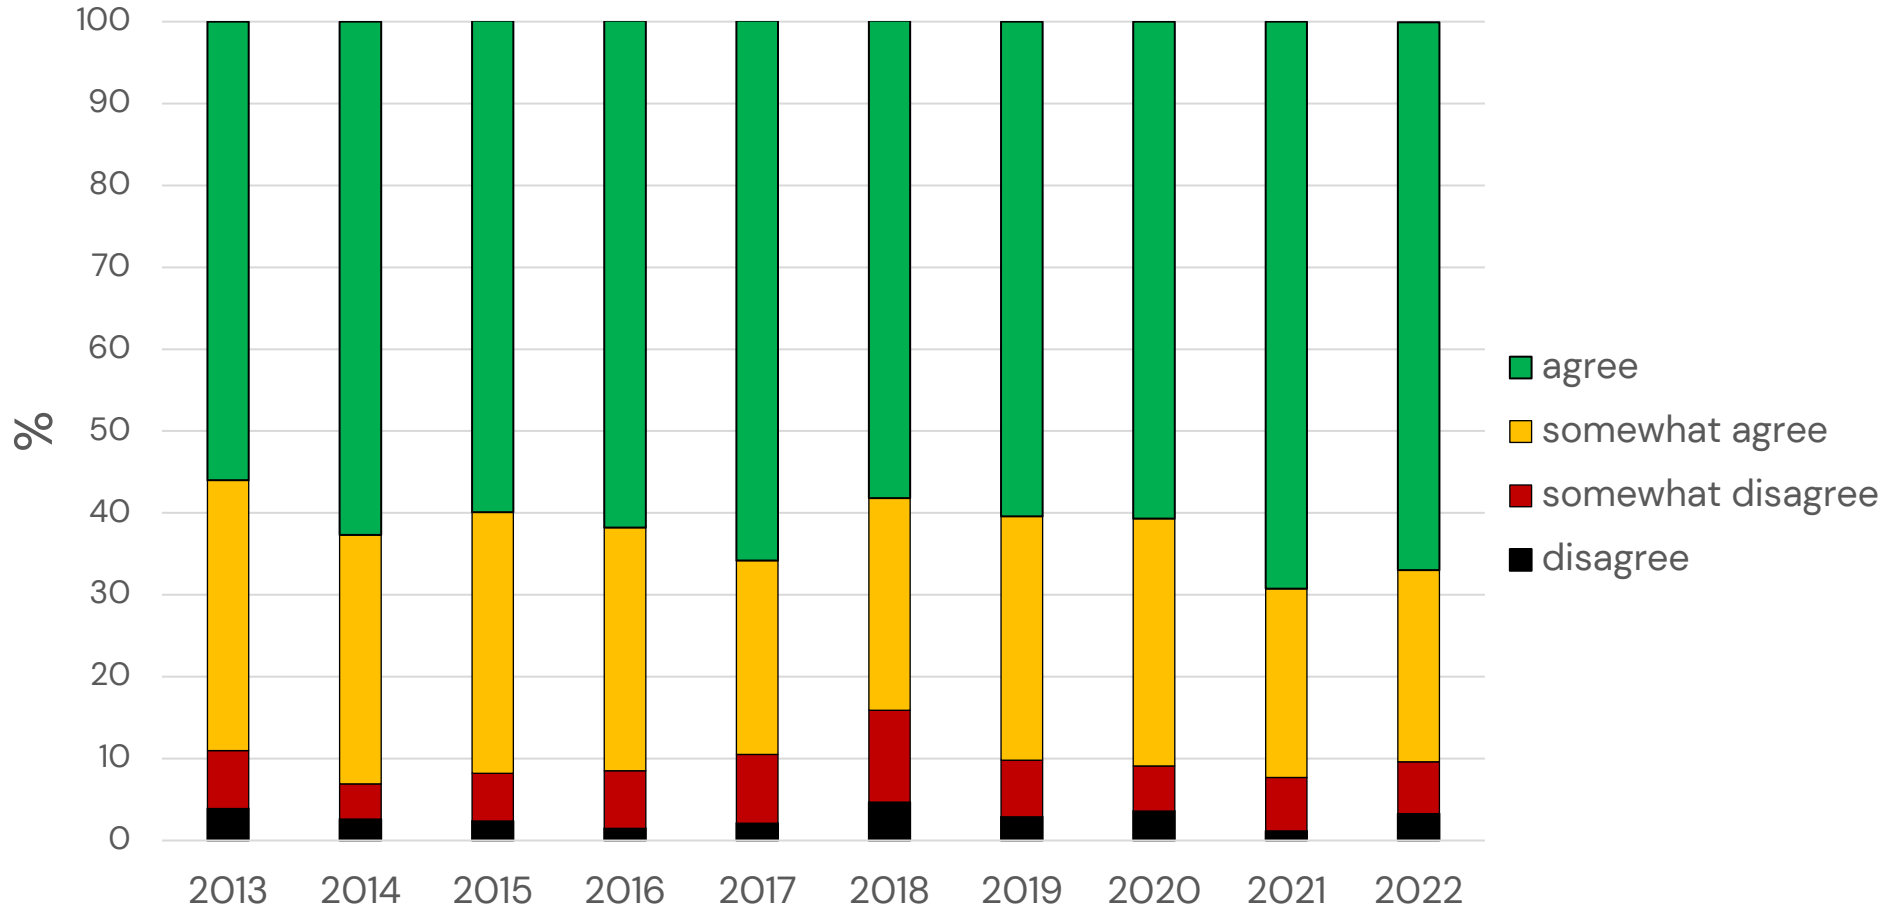

Is this a representative sample of the population?

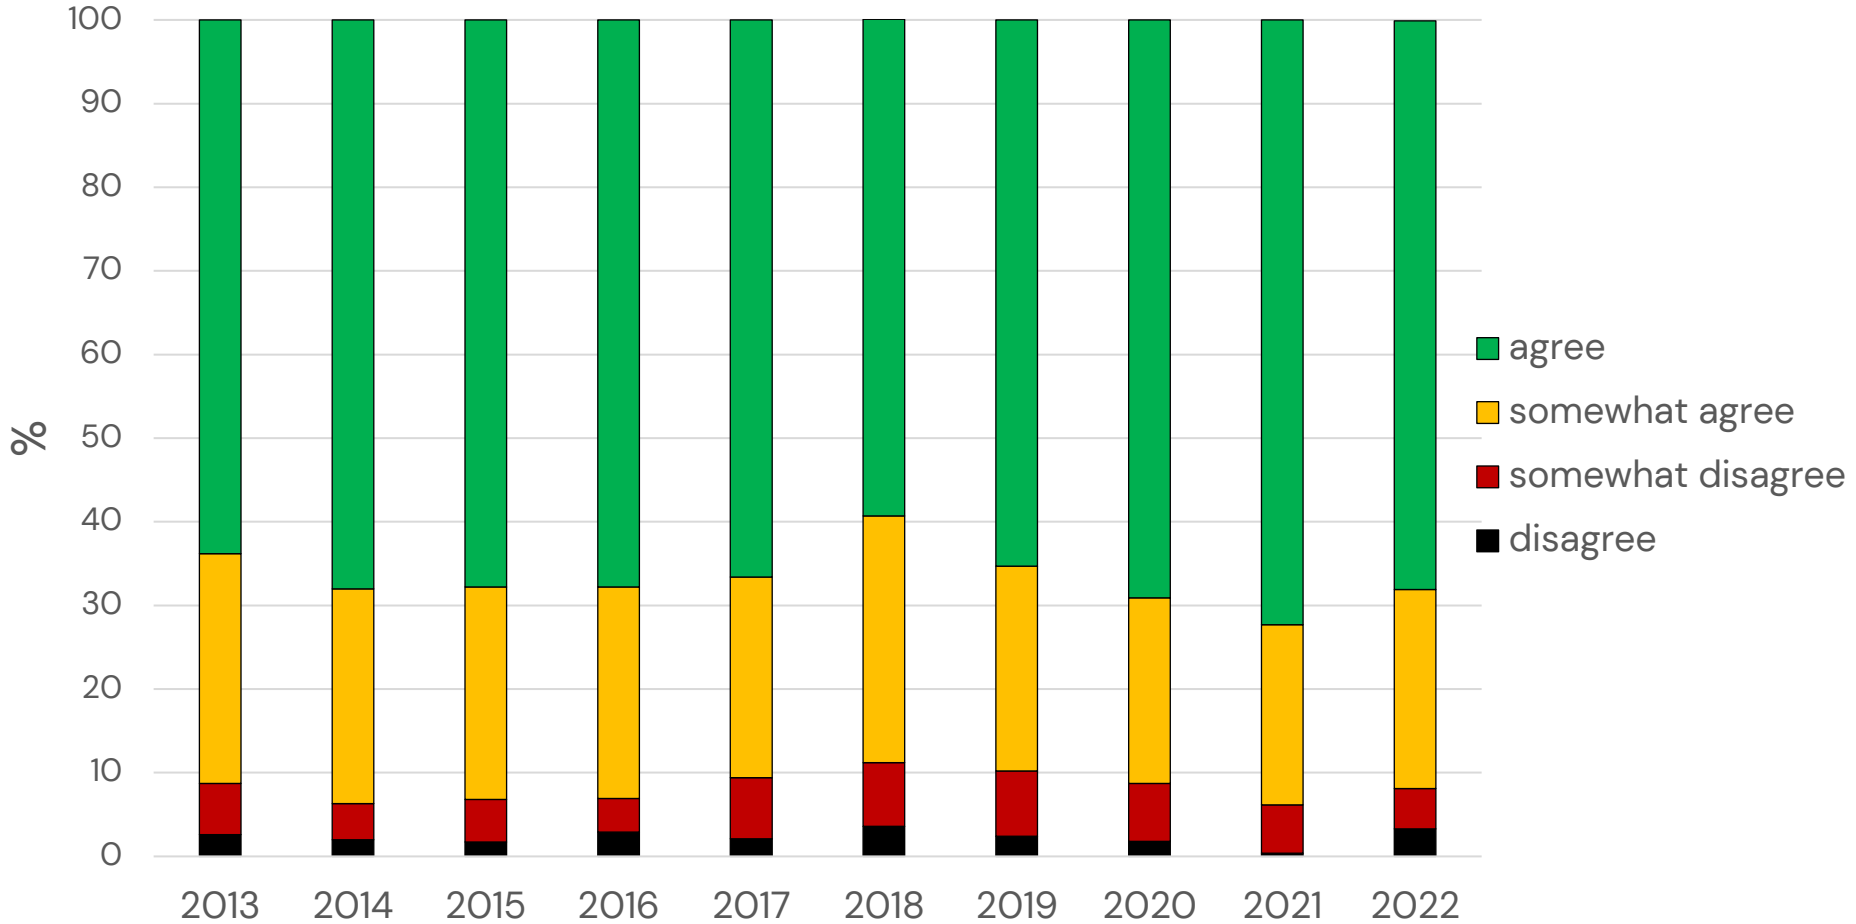

- Respondents compared to the entire group defending their thesis 2022
 - more women
 - less international students
 - no difference in proportion clinicians/KI-employed/scholarship-holders

Overall

Overall, I am satisfied with my doctoral education at KI

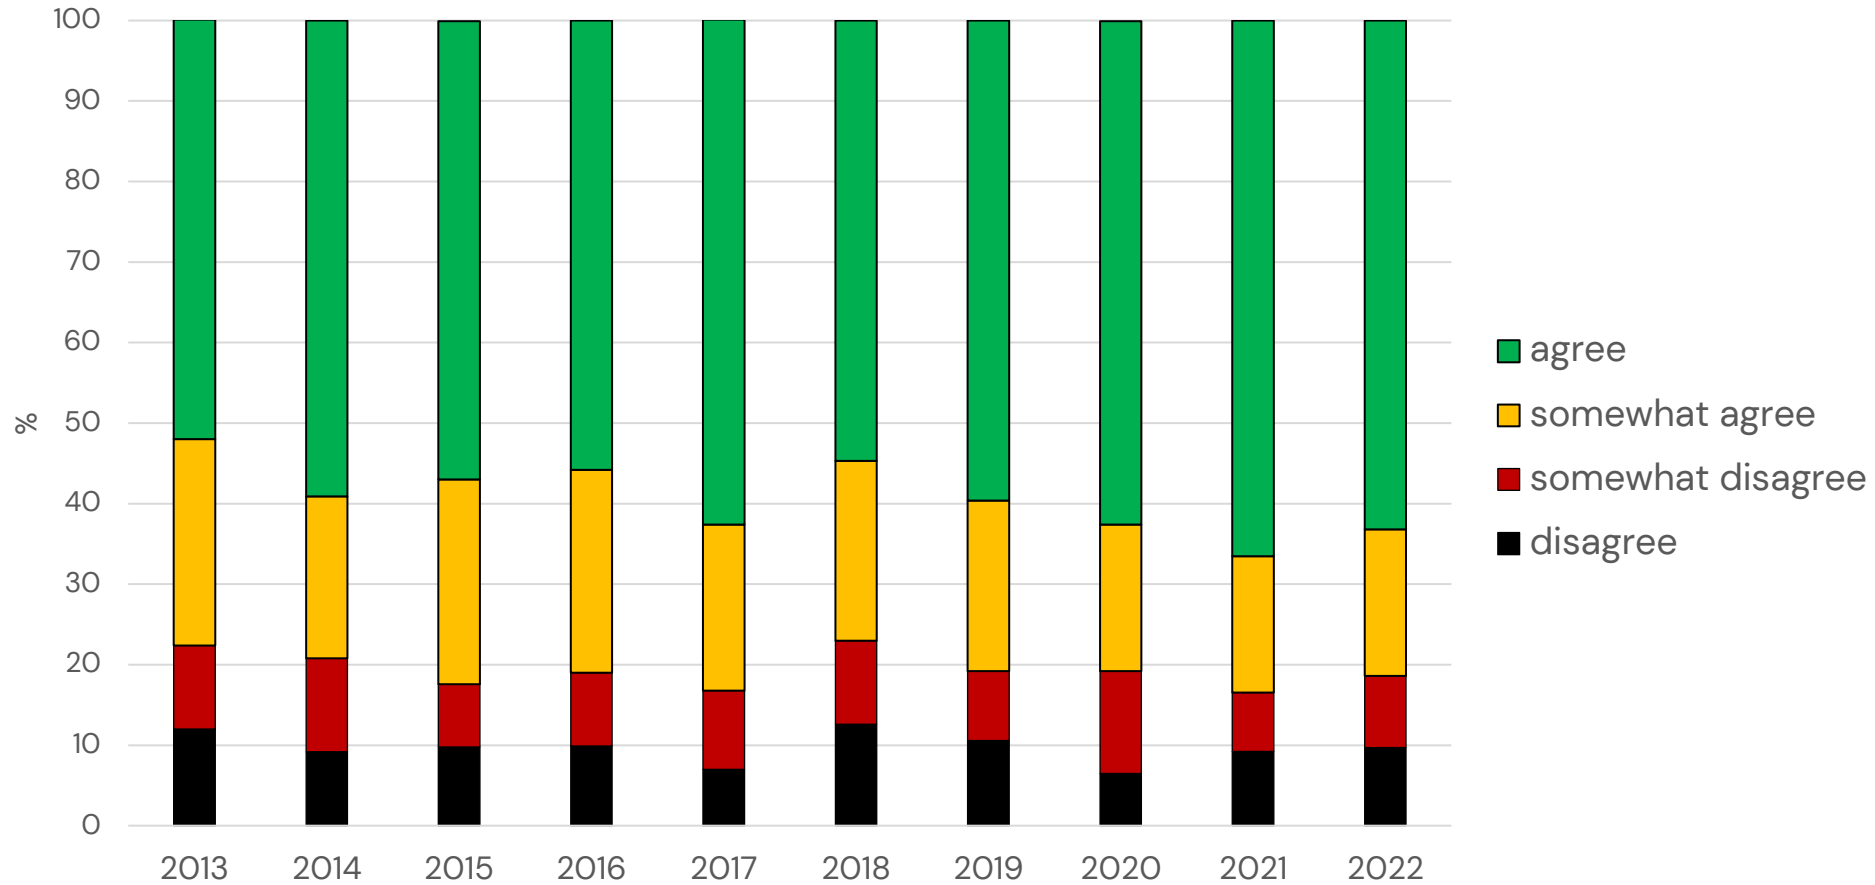

I would recommend KI to prospective doctoral students
