## **New framework agreement for food waste management on KI:s premises**

Reference number: 2-848/2024

From 1 November 2024, KI has a framework agreement for the collection of food waste from KI:s premises. The framework agreement does not cover the collection of food waste from cafés and restaurants.

The supplier for the new framework agreement is Städgladen AB, which is also KI:s supplier for cleaning (incl. waste sorting).

The Property and Facilities Office will provide information on the start of operations at a later date.
