

Field translation ISP to Ladok ISP

Here is an overview of which fields in the ISP system have been migrated to which fields in Ladok ISP.

Since some date fields in the ISP system are free text fields, migration has only been possible if the date format matched the date fields in Ladok ISP.

Ladok ISP	ISP systemet	Comments
Basic information		
Admitted to		Start date in Ladok is the start date of the doctoral student's most recently started research topic.
General syllabus		
Milestones in third-cycle studies	2.1 Time plan	
Study activity and funding (SCB)	2.1 Planned study activity 2.2 Planned financial support/employment	Comments have not been migrated. Only migrated planned from 2026V onwards. Only half-year support that amounts to 100% has been migrated. If the financing form is missing, the data has not been migrated. Planned financing with UBB has not been migrated because that financing form no longer exists.
Departmental duties	2.3 Departmental duties	Only extents with the format % have been migrated.
Other documentation	10 Document (alla dokument har sparats ner till pdf) The latest established ISP in pdf	Only files that could be converted to PDF have been migrated.
Supervisor and desicion-maker	4. Handledare och ansvar	
ISP-Principal supervisor - Supervisor training	4.1 Completed formal training in supervision or equivalent	
- Note	4.1 Copied the following headings and the text below the headings: * Description of supervision and responsibilities * % of supervisor contribution (of total 100%)	
ISP-Supervisor - Supervisor training		
- Note	4.2 Copied the following headings and the text below the headings: * The co-supervisor has agreed on their responsibility and contribution to the	

	doctoral education as described below. * Current employer (if employed outside of Karolinska Institutet) * Description of planned supervision and responsibilities. * Percentage of supervisor contribution(of total 100%)	
Supervisor conversation	6. Follow-up meetings	
Annual follow-up	6.1 Yearly follow-up meetings with principan supervisor	Comments are migrated if the number of characters is not too many.
Other	6.2 Other follow-up meetings	-"-
Thesis work	5. Forskningsprojekt	
Summary	5.1 Title of doctoral project 5.2 Brief description of the doctoral project	The type of thesis is set to Compilation thesis at all ISPs. If the ISP is a different type, it can be changed manually.
Planning and follow-up	5.4 Planned and ongoing subprojects 5.5 Completed subprojects 5.6 Accepted/published manuscripts 5.7 Description of changes in the doctoral project.	There is no date in th ISP system. Migration half-year 2026V added to Ladok ISP.
Part of thesis work		5.4 och 5.5 Could not be migrated here because the fields differs too much between the systems.
Ethical considerations		Eventuella dokument ligger i Ladok ISP under Grunduppgifter-Övrig dokumentation
Courses and conferences		
Planned		No scheduled tasks are migrated.
Completed		No completed courses/modules or TG are migrated. They are automatically loaded from other parts of Ladok.
