

Cosy apartment on green line!

I'm renting out my apartment for a minimum of 1 year, with possibility for extension. The apartment is 18 sq.m with a kitchenette and washing machine. The apartment is located in Råcksta, a quiet neighbourhood on the green line. It is a five minutes walking distance from Vällingby Center with lots of shops, cafes, restaurants and cinema, and 15-minute walk to the beautiful Grimsta nature reserve. The T-bana station Råcksta is a few minutes away and takes you into the center in 25 minutes (my commute into KI Solna campus is about 40 minutes after taking the green line to St Eriksplan then walking 10 min to campus). The apartment is completely furnished with everything you need.

Rent: 8700 kr with all included (i.e Wifi, heating/electricity/water)
