

Web-based teaching			
Course evaluation			
	Kod	Fråga *	Question*
<b>Frågor som rör digital/webbaserad undervisning under den rådande situationen med Covid-19.</b>	COV01	Studenternas förslag och synpunkter gällande webbaserad undervisning togs på allvar.	Students' suggestions and ideas regarding the web-based teaching were taken into consideration.
	COV02	Den digitala lärandemiljön såsom Canvas, Zoom osv. under den webbaserade undervisningen var lämplig.	The digital learning environment such as Canvas, Zoom etc. during the web-based course was adequate.
	COV03	Eventuella ändringar i innehållet pga. den rådande situationen (gällande Covid-19) kommunicerades tydligt.	Possible changes in the content of the course as a consequence of the current situation (regarding Covid-19) were communicated clearly.
	COV04	Eventuella ändringar i examinationsformerna pga. den rådande situationen (gällande Covid-19) kommunicerades tydligt.	Possible changes in the examination forms of the course as a consequence of the current situation (regarding Covid-19) were communicated clearly.
	COV05	Den webbaserade undervisningens upplägg och arbetsformer var relevanta i förhållande till kursens lärandemål.	The set-up and activities of the web-based teaching were relevant to the learning outcomes.
	COV06	Inför den webbaserade examinationen fick jag tydlig information med avseende på t ex system (Canvas, Inspera), upplägg och tider.	Prior to the web-based examination, I received clear instructions regarding, for example, systems (Canvas, Inspera), set-up and times.
	COV07	Jag upplever att jag kunde visa min kunskap vid den webbaserade examinationen lika väl som vid en ordinarie examination.	In my view, I could demonstrate my knowledge in the web-based examination just as well as in an ordinary examination.
	COV08	Jag har upplevt oro eller haft svårt att engagera mig, pga. den rådande situationen (gällande Covid-19).	I have experienced anxiety or had difficulty engaging, as a consequence of the current situation (regarding Covid-19).
	COV09	Lärarna i kursen var tillmötesgående för ideer och förslag gällande den webbaserade undervisningen.	Teachers in the course were open to ideas and suggestions regarding web-based teaching.
	COV10	Jag upplever att storleken på studentgrupperna var anpassad till den webbaserade undervisningen.	In my view, the size of the student groups was adapted to the web-based teaching.
	COV11	Jag kunde prata om problem som uppstått pga den webbaserade undervisningen med min lärare/handledare.	I was able to talk with my teacher/supervisor about problems that had emerged because of the web-based teaching.
	COV12	Eventuella ändringar i kursplanen pga. den rådande situationen (gällande Covid-19) kommunicerades tydligt.	Possible changes in the course's syllabus as a consequence of the current situation (regarding Covid-19) were communicated clearly.
	COV13	Den webbaserade examinationen var tydligt kopplad till lärandemålen.	The web-based examination was clearly connected to the learning outcomes.

	COV14	Jag hade tillgång till det material som behövdes under den webbaserade undervisningen.	I had access to the necessary material during the web-based teaching.
	COVOP1	Vilka styrkor och svagheter har du upplevt med den digitala/webbaserade undervisningen och examinationen, som skett pga. den rådande situationen (gällande Covid-19)	What strengths and weaknesses have you experienced with the digital/web-based teaching and examination, which happened due to the current situation (regarding Covid-19)
	COVOP2	Vilka upplever du är fördelarna med en digital/webbaserad undervisning?	What are the advantages of a digital/web-based teaching?
	COVOP3	Har du några förslag och/eller synpunkter om hur den digitala/webbaserade undervisningen kan förbättras?	Do you have any suggestions and/or viewpoints on how the digital/web-based teaching could be improved?
<b>Frågor som rör VFU under den rådande situationen med Covid-19.</b>	COVFU01	Under VFU-placeringen fick jag tydlig information med avseende på Covid-19 av utbildningsansvarig/handledare.	During VFU placement (on-site training) I received clear instructions regarding Covid-19 from my educational manager/supervisor.
	COVFU02	Den psykosociala arbetsmiljön under min VFU-placering var tillfredsställande (psykosocial miljö rör bland annat trivsel, stöd, stress, likabehandling och diskriminering).	The psychosocial work environment during my VFU-placement (on-site training) was satisfactory (psychosocial environment includes among other things well-being, support, stress, equal treatment and discrimination).
	COVFU03	Anpassningen av mina uppgifter under min VFU-placering med anledning av den rådande situationen (med Covid-19) har fungerat tillfredsställande.	Adjusting my work tasks during my VFU-placement (on-site training) as a result of the current situation (regarding Covid-19) worked well.
	COVFU04	Min handledare på VFU anpassade mina uppgifter med anledning av den rådande situationen (med Covid-19) på ett adekvat sätt.	My VFU supervisor adjusted my tasks as a consequence of the current situation (regarding Covid-19) in an adequate way.
	COVFU05	Jag upplever att kommunikationen med personalen under min VFU-placering med anledning av den rådande situationen (med Covid-19) fungerade tillfredsställande.	In my view, communication with the staff during my VFU-placement (on-site training) as a consequence of the current situation (regarding Covid-19) worked adequately.
	COVFU06	Jag upplever att under min VFU-placering har jag fått ta del av viktiga förändringar med anledning av den rådande situationen (med Covid-19) i rimlig tid.	In my view, during my VFU-placement I received information regarding important changes as a consequence of the current situation (regarding Covid-19) in reasonable time.
	COVFU07	Jag upplever att ändringar i arbetsplatsens riktlinjer pga. Covid-19 kommunicerades till mig i rimlig tid.	In my view, changes in the workplace guidelines due to the Covid-19 were communicated in reasonable time.
	COVFU08	Utbildningsansvarig/handledare på min VFU-placering informerade mig tillräckligt om ändringar med anledning av Covid-19 i mina uppgifter.	The educational manager/supervisor at my VFU-placement (on-site training) informed me sufficiently regarding changes in my work tasks as a result of the Covid-19.
