

Kriterier som stöd för bedömning av nomineringar 2021

Criteria as a tool for assessment of nominations 2021

Förutsättningar: Aktiviteterna som ingår i nomineringen ska ha ägt rum under de senaste tre åren

Preconditions: The activities should have taken place during the last three years

1. Insatsen är av strategisk betydelse (inom program eller fakultetsövergripande)

The activity is of strategic importance (for program or faculty)

2. Insatsen har stor bredd och berör många studenter (direkt eller indirekt genom lärare)

The activity is substantial and many students are/will be engaged (directly, or indirectly through teachers)

3. Insatsen bidrar till att öka studenternas globala kunskapsperspektiv

The activity increases the student's knowledge about global perspectives

4. Insatsen uppfattas som innovativ

The activity is innovative

5. Insatsen uppfattas som hållbar och i linje med FN:s globala hållbarhetsmål

The activity is sustainable and in line with the UN Sustainable development goals

Please rate the project/nominee in accordance with the following criteria:

4 Very good (Strong application with minor weaknesses)

3 Good (Some strengths, but also moderate weaknesses)

2 Weak (A few strengths, but also at least one major weakness or several minor weaknesses)

1 Poor (Very few strengths, and numerous major weaknesses)

After the assessment at university level, the assessment of all candidates shall be put together in accordance with appendix 1, and sent to the administrative coordinator, together with a ranking of the candidates.
