38. If no (Q36), why?

Antal svar på frågan: 29

Erfarenhet av att det inte hjälper: 6 st

Exempel: It has previously been reported repeatedly by others and is known within the department management. Overall, either nothing has been done by KI or the few halfhearted measures taken have been completely ineffective

Osäker på om det hjälper: 2 st

Exempel: Since I could not identify a reason for the unequal treatment, it was not easy to complain about it

Vill inte lägga tid och energi på detta: 4 st**Inte tillräckligt allvarligt: 3 st****För känsligt: 4 st**

Exempel: Just to avoid more suffering

Rädd för konsekvenser: 4 st

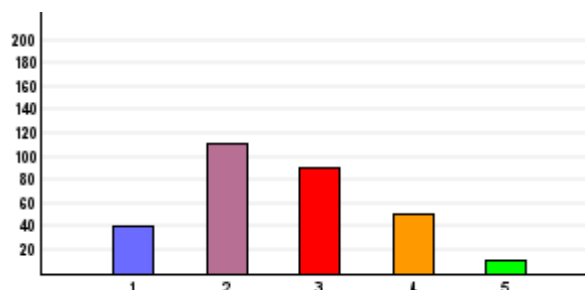

Exempel: KI always seems to protect the supervisors and there is little help for students. If you complain it always comes back to you and just gets worse. Other students experienced the same phenomenon.
