

# Inclusive and effective research collaborations

**December 2<sup>nd</sup> | 9.00 – 11.00**

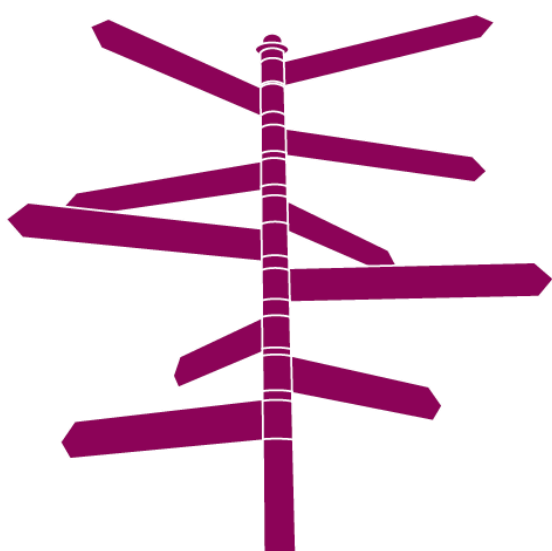

Online webinar (Zoom)

Research is a team sport, but how do you bridge cultural, organizational, and disciplinary divides? How do you ensure engagement from all parties over time?

**Gretchen Repasky** and **Dan Csontos** will teach you all about:

- 1) the dimensions of collaborations
- 2) co-design, co-development, and alignment of goals
- 3) planning, decision-making and team communications
