

## Cardiovascular epidemiology webinar series

The CVR programme announces a cardiovascular epidemiology webinar series!

Join us for a monthly seminar and discussion of common questions arising when analyzing data from human population!

The seminar is free and everyone is welcome to participate, however, please send an email to [Bruna.gigante@ki.se](mailto:Bruna.gigante@ki.se) to register and receive the zoom link to the meeting!

### First webinar

**Title: AGE: why is age a cardiovascular risk factor?**

**Date:** February 22nd 2021

**Time:** 15:00-16:00

**Speaker: Bruna Gigante**

Zoom link will be sent on Friday Feb 19th along with some more information.

### Second webinar

**Title: Gender: why are men and women so different when it comes to cardiovascular diseases?**

**Date:** March 22nd 2021

**Time:** 15:00-16:00

**Speaker: Karin Leander**

Zoom link will be sent on March 19th

### Third webinar:

**Title: Cholesterol: Is it always good to have low cholesterol levels? (part 1)**

**Date:** April 19th 2021

**Time:** 15:00-16:00

**Speaker: to be confirmed**

Zoom link will be sent on Friday April 17th

More webinars will be announced.
