

**Department of Clinical Neuroscience**  
Division of Insurance Medicine

## Curriculum Vitae – Thomas Dorner, M.D., MPH

### Personal information

Family name Dorner  
First names Thomas Ernst  
Date and Place of Birth 1975 in Eisenstadt, Austria  
Nationality Austrian  
Work address Medical University of Vienna, Centre for Public Health  
Department of Social and Preventive Medicine  
Email: [thomas.dorner@meduniwien.ac.at](mailto:thomas.dorner@meduniwien.ac.at)  
[thomas.dorner@ki.se](mailto:thomas.dorner@ki.se)

### Education

04/2011	“Habilitation” lecture qualification for Social Medicine / Public Health; Postdoctoral thesis “Social Determinants for Health Resources, Health Behaviour, and Morbidity and Consequences for Social Medicine and Public Health”.
03.09.2007	Graduation (MPH)
2005-2007	University Course Master of Public Health
05.11.2001	Graduation (M.D.)
1993-2001	Studies of Human Medicine, Vienna University, Medical School
14.06.1993	“Matura” (School leaving exam)
1981-1993	Primary and Secondary School

### Ongoing and previous position

Since 10/2017	Deputy Head, Department of Social and Preventive Medicine, Centre for Public Health, Medical University Vienna
Since 04/2014	Associate Professor, Department of Social and Preventive Medicine, Centre for Public Health, Medical University Vienna
Since 2013	Guest Researcher, Karolinska Institutet, Department of Clinical Neuroscience, Division of Insurance Medicine, Stockholm, Sweden
2011-2014	Assistant Professor, Institute of Social Medicine, Centre for Public Health, Medical University Vienna
2009-2011	Postdoc Position, Department for General Medicine and Institute of Social Medicine, Centre for Public Health, Medical University Vienna

**Postal address**  
Karolinska Institutet  
Division of Insurance Medicine  
SE-171 77 STOCKHOLM  
Sweden

**Visiting address**  
Berzelius väg 3, 6th floor  
Solna

**Telephone**  
+46 8 524 83224 (secretary)  
Email: [thomas.dorner@meduniwien.ac.at](mailto:thomas.dorner@meduniwien.ac.at)

**Web**  
[ki.se/im](http://ki.se/im)

2008-2009	University Assistant, Institute of Social Medicine and Epidemiology, Medical University Graz
2008-2009	Training Officer for doctors-in-training; Kaiser Franz Josef Hospital Vienna
2005-2008	Clinical Training in General Medicine, Kaiser Franz Josef Hospital Vienna
2004-2005	Clinical Training in Internal Medicine, Military Hospital Vienna
2003-2004	Clinical Training in Geriatrics, Geriatric Hospital "Haus der Barmherzigkeit", Vienna
2002-2003	Clinical Training in Internal Medicine, Teaching Clinic, Vienna
2001-2009	Project-orientated research assistant at the Institute of Social Medicine, Medical University Vienna

### Advisory Boards

Since 2017	Member of the advisory board "Healthy Cities" Federal Ministry of Health
Since 2016	Member of the advisory board "Health Impact Assessment" Federal Ministry of Health, Austria
Since 2016	Member of the advisory board "National Nutrition Commission" Federal Ministry of Health, Austria
Since 2015	Member of the advisory board "Diabetes Strategy" Federal Ministry of Health, Austria
Since 2015	Member of the advisory board "Mother-Child Health" Federal Ministry of Health, Austria
Since 2015	Member of the advisory board "Geriatric Medicine" Federal Ministry of Health, Austria
Since 2014	Member of the EPH-Executive Board (responsible for the organization of the European Public Health conferences)
Since 2013	Member of the advisory board "Frame Health Targets"; Federal Ministry of Health, Austria
Since 2013	Member of the Steering Committee of EUROPREV (European Network for Prevention and Health Promotion)
Since 2012	Delegate to the EUPHA (European Public Health Association) Governing Board
2012	Member of Scientific Program Committee, WONCA-Europe
Since 2011	Member of Abstract Scoring Committee, WONCA-Europe and WONCA-World Conferences
Since 2010	Advisory Board for Health Statistics at Statistics Austria

### Memberships

Austrian Public Health Association	Since 2012 President 2015 Founding of the Competence Group "sexual and gender diversity" 2014 Founding of the Competence Group "Geriatrics / Gerontology" 2009-2013 Head of the Competence Group "Physical Activity" 2008-2012 Member of the Executive Board
Austrian Society of General Medicine	Since 2013 Member of the Steering Committee

Austrian Society for the Study of Pain	Member
Austrian Society for Hypertension	Member

### **Lectures and seminars**

Lectures and seminars at the Medical University of Vienna, Karolinska Institutet Stockholm (Sweden), Medical University Graz, University of Vienna, University Graz, Danube University Krems, Private University of Health Sciences, Medical Informatics and Technology Hall in Tyrol, University of Applied Sciences Burgenland, University of Applied Sciences Carinthia, Ferdinand Porsche Distance Learning University of Applied Sciences, Management Center Innsbruck, and in the inter-university courses Master of Public Health Vienna, Health Care Management Vienna, Interdisciplinary Pain Medicine, Gender Medicine, Transcultural Medicine and Diversity Care, and Master of Insurance Medicine Basel (Switzerland).

### **PhD Supervision**

Title: “Prevalence and Determinants of Addictive Behaviour in People Living with Human Immunodeficiency Virus in Austria“ PhD Student: Igor Grabovac

Title: “Muscle strength, muscle mass, physical performance and inflammatory parameters in prefrail and frail persons participating in a physical training & nutritional program carried out by volunteers“ PhD Student: Sandra Haider

Title: “The impacts of a lay led home-based program on various aspects of quality of life and functional status in frail community-dwelling older adults“ PhD Student: Ali Kapan

Title: “Nutritional and frailty status in older persons participating in a home-based volunteer-administered preventive program“ PhD Student: Eva Luger

Title: “Health Promotion by Ambient Assistive Technologies – How the Health of Elderly can be positively influenced by using Information and Communication Technology in Long Term Care“ PhD Student: Christian Siegel

Title: “Implementation of health promotion in the hospital setting“ PhD Student: Christina Cathérine Wiczorek

Title: “Effects on sustainability, drop out rate and improvement of self-efficacy using web based follow up intervention in obesity treatment for women. “ PhD Student: Sonja Rader

Title: “Can a Physical Activity Based Nutrition Label Format Influence Food Choice and/or Frequency, and Level of Physical Activity?“ PhD Student: Yvonne Schröder

### ***Ongoing PhD Supervision***

Title: “Workability in patients with seropositive rheumatoid arthritis“ PhD Student: Carolin Berner

Title: “The Effects of Self- and Social-Competence on the Resilience and Wellbeing of Humans in Daily Life from a physical, mental and genetic Perspective” PhD Student: Christoph Janka

Title: “Predictors of HIV/STD awareness and prevention among youth in Austria” PhD Student: Radhika Seiler

Title: “Implementation Research in School Health Promotion in Austria“ PhD Student: Michaela Adamowitsch

Title: “Physical performance and activity, body composition and QOL in patients suffering from severe diseases” PhD Student: Fadime Cenik

Title: “Physical performance and activity, body composition and QOL in patients suffering from severe diseases” PhD Student: Stefano Palma

Title: “Resistance exercise as a Supportive Care and Side Effect Management in Breast Cancer Patients” PhD Student: Timothy Hasenöhl

Title: “People living with human immunodeficiency virus and Acquired immune deficiency syndrome: The impact of patient relationship, integrated care and adherence in the context of HIV/AIDS” PhD Student: Helmut Beichler
