

## Curriculum vitae

Born: 1964.01.14

### Higher education:

1982-88 medical student at the University of Medicine, Debrecen, Hungary

1983-1988 research student at the Dept. of Medical Biology

### Doctoral degrees and licenses:

1988- **Medical Doctor** - medical practitioner license, Hungary

1995- **PhD** in Molecular Tumor Biology and Virology

2004- Medical practitioner license, Sweden

### Postdoctoral activities and positions:

1989-1993 researcher at the Dept. of Tumor Biology (director: Prof George Klein), Karolinska Institutet, Stockholm, Sweden

1993 – 1995 researcher at Microbiology and Tumor Biology Center, Karolinska Institutet

1992 - 95 PhD candidate employed by the Medical Research Council

1996 - 1997 **postdoctoral fellow** employed by the Swedish Cancer Society

1997– 2003 appointed as independent cancer researcher by the Swedish Cancer Society

2000 appointed as **associate professor** at the Karolinska Institutet

2003 – 2009 appointed as project leader research scientist at the SSF Center of Excellence – Center for Integrative Recognition in the Immune System (IRIS) (director: Prof. Klas Kärre)

2003 Senior technical consultant at the Karolinska Visualization Core Facility (KIVIF)

2004 – 2009 **senior researcher** employed by the Swedish Research Council

2005 Scuba diving instructor

2008 appointed as independent research group leader at MTC, Karolinska Institutet

2010 appointed as **senior lecturer** (universitetslektor)

2010 **Professor** of Hematological Malignancies at the Karolinska Institutet

2012-2014 foreign faculty at I3L, Indonesian International Institute of Life Sciences, Jakarta, Indonesia

2015 **guest professor** at Jinan Central Hospital , Shandong University, China

2014- works even as a clinical pathologist at the Karolinska University Laboratories and pathology lecturer at Karolinska Institutet

2018 **Instructor** Department of hematology, Zhongda Hospital, Nanjing, China

2018 **Chief Scientific Officer** - Techboon Biotechnology Limited, Nanjing, China

2019 **Dean** Techboon Institute of Clinical Medicine, Nanjing, China

### Recent Awards

Purple Mountain, HanZi talent award, Nanjing, China

Recipient of the award of “345 Outstanding Overseas Talent Program”, Nanjing, China

### Editor

Molecular Cancer

### Teaching

Lecturer in cancer biology, infectious immunology, clinical pathology, virology, digital imaging and advanced microscopy
