## My conference presentations

- Forthcoming presentation: Wallcook, S., Malinowsky, C., Nygård, L., Charlesworth, G., Lee, J., Walsh, R., Gaber, S.N., Kottorp, A. 'The resilience of an occupational therapy tool to the changing technological environment', *2<sup>nd</sup> COTEC-ENOTHE CONGRESS 2020*, 15-18 September 2021.
- Ryd, C. & Wallcook, S. 'Äldre personers samspel med andra när de använder teknik i dagligt liv - en kritisk granskning av individualism och fokus på självständighet' [Older people's collaboration in the use of everyday technology – a critical perspective on individualism and the focus on independence', *Arbetsterapi Forum 2021*, 16-17 March 2021.
- Wallcook, S & Jakobsson, E. 'The pressure to participate digitally during the Covid-19 pandemic: An issue of justice', *The 34th International Virtual Conference of Alzheimer's Disease International*, 10-12 December 2020.

- Wallcook, S. 'Design – Provide – Enable', in Symposium; P4. Technology and human interaction: INDUCT: Best practice guidance on human with technology in dementia, *29<sup>th</sup> Alzheimer Europe Conference*, The Hague; 24 October 2019.
- Wallcook, S., Kottorp, A., Nygård, L., Charlesworth, G. & Malinowsky, C. 'Age-friendly technological cityscapes: What is utopia?' in Poster session PO20.16, *29<sup>th</sup> Alzheimer Europe Conference*, The Hague, 25 October 2019.
- Wallcook, S., Charlesworth, G., Higgs, P. & Gilleard, C. (2019) PPI as a non-pharmacological intervention with people with dementia?: Discussing the opportunities and threats, in Symposium; 'Patient Public Involvement (PPI) in Dementia Research: Emerging Issues and Tensions', *British Society of Gerontology 48th Annual Conference - Resilience and Living Well in Local Communities*, Liverpool, 12 July 2019.
- Wallcook, S., Malinowsky, C., Kottorp, A. & Nygård, L. (2019) Use of information communication technologies in everyday life: older adults with and without dementia, in Symposium; 'Digital Seniors: Perspectives on Aging with Technology', *International Association of Gerontology and Geriatrics European Region Congress 2019*, Gothenburg, 23 May 2019.
- Wallcook, S., Malinowsky, C., Kottorp, A. & Nygård, L. (2019) Informations och kommunikationsteknik i vardagen bland äldre personer med och utan demens [Information Communication Technologies in everyday life between older adults with and without dementia], *Arbetsterapiforum*, Stockholm, 3 April 2019.
- Wallcook, S., Malinowsky, C., Kottorp, A. & Nygård, L. (2018) Implementation Issues: how can people use technology in daily practice, Interdem Symposium on implementations of technologies to support people living with dementia and carers; *28<sup>th</sup> Alzheimer Europe Conference*, Barcelona; 31 October 2018.
- World Federation of Occupational Therapists, Wallcook, S., Gaber, S., Ledgerd, R., Alvarez, L., Shann, S., Cavalcanti Barroso, A. (2018) Report from the World Federation of Occupational Therapists' (WFOT) Global Survey of Current Assistive Technology Use. *World Federation of Occupational Therapists Congress*, Cape Town; 24 May 2018.
