

## Invitation for Seminar with Heather Fritz Ph.D., OTR/L, Assistant Professor of Occupational Therapy and Gerontology

Date: 2019-01-28 | 14.00 –16.00

Location: S 517, Alfred Nobels Allé 23, Huddinge

### Open Seminar!

You are invited to attend the seminar during the spring 2019 with Heather Fritz Ph.D., OTR/L, Assistant Professor of Occupational Therapy and Gerontology.

The topic for this seminar will be to discuss the concept of frailty, how physiological, social, and environmental factors contribute to frailty, problems with addressing frailty in the real world, and what all of this means for public health in an increasingly older global population.
