

Appendix 1. Tasks of the central cooperation group

The task of the central cooperation group is to initiate and secure agreement for KI-wide business matters and decisions of the Senate and the president.

Listed below are matters that the university director should take up in the cooperation group:

- Overall questions of development. Organisational changes at KI, e.g. amalgamation, division or establishment of departments. Surveys of importance for KI employees.
- Financial matters, the submission of appropriations, budget, the annual report.
- Department-wide questions of personnel policy.
- Decisions regarding the duties of heads of departments. Appointment of managerial staff.
- Overall matters concerning buildings and premises at KI.
- Questions of cooperation generally (see s.2 para. 1 of the agreement) of an organisation-wide nature
